<b>3:45-4:30</b>	<b>Rest &amp; Recharge or Movement</b>
<b>4:30-6:00</b>	Den, Movement and Clean Up

\*Bolted items in the schedule are explained in more detail below

**The Lynx CoR spends a lot of the day together and may choose, as a group, options other than what is written on this schedule. There are also times when Lynx students may choose Badger options.**

**Open Den:** Students may choose from self-directed projects anywhere in the Den (large classroom). Some tables will be set up with an interesting art or science project including directions and questions to think about. Other options (building blocks, Legos, K'nex, felt board, library, games, etc.) will always be available for students to access themselves.

**Moving Mornings:** All students will choose from a number of moving options like Aerobics/Line Dancing, Musical Jump Ropes & Hula Hoops, Skill Building with Jackson or dance party.

**Clubs:** This gives children an opportunity to explore small group activities.

Activities could include, but are not limited to, card games, gardening, board games, community outreach/service, etc.

**Lynx Projects:** Project choices are listed on the "Lynx Summer Schedule" calendar (See the other side of this page). Activities are opportunities for learning and

include elements of SPS academic standards and are flexible enough for individual creativity and expression. Most curriculum options have been chosen by the Lynx group themselves.

**Jackson's Games:** Games are listed for each day on his separate schedule. There will also be a time slot at the end of the day for a game students choose themselves. They will use various approaches designed to build skills and expand understanding of rule concepts and applications.

**Water Time:** Any student may choose to join the outside fun with water when it's offered according to Jackson's schedule. They must have a swimsuit or "wet" clothes and a towel. Curriculum can vary with sprinklers, slip-n-slides or water balloons, etc. Check "Jackson's Schedule" for more information.

**Read Aloud:** This is an opportunity for the Lynx to reset their minds. Molly or Alex will read a chapter book out loud to the group. Lynx may choose to listen or do another silent activity.

**Rest & Recharge:** This is a time for kids to calm their minds and bodies. Summer days are long and it's a good chance for everyone to recharge and finish out the day.

**Fieldtrips:** Departure/return times will be posted at the Family Information table. Certain fieldtrips can have an added cost and/or may have attendance restrictions. These are trips and are marked with "\$".

**For safety concerns, late arrivals may NOT join fieldtrips.** Walking Fieldtrips are possible on any given day and are not marked on the schedule. These groups stay in contact and are relatively close to our home site. Walking Fieldtrips are possible on any given day and are not marked on the schedule. The teachers will have radios and will stay relatively close to Pathfinder on this kind of walk.
